About CSG

Founded in 1933, **The Council of State Governments** is our nation's only organization serving all three branches of state government. CSG is a region-based forum that fosters the exchange of insights and ideas to help state officials shape public policy. This offers unparalleled regional, national and international opportunities to network, develop leaders, collaborate and create problem-solving partnerships.

Consortium Objectives

Consortium Benefits

- opportunities for team building and interbranch collaboration;
- access to technical assistance and in-state programming with subject-matter experts;
- greater understanding of the current regulatory environment in participants' states and help identifying barriers and challenges;
- the tools to develop a state action plan;
- the opportunity to learn from other states; and
- access to CSG/Urban Institute staff to facilitate conversations between state offices and other stakeholders.

Consortium Structure

State Teams

- 5-6 individuals per state
- Potential participants: state governors offices, State Office of Apprenticeships, executive cabinets involved in labor, employment, workforce, and education

Funding

- If selected, CSG will fund all essential costs associated with participation in the Consortium including travel and accommodations during convenings; and will provide meeting materials and technical assistance resources, in collaboration with the Urban Institute.

Application Process
