

Dear Thrive Participant,

Tax season is here! If you did not receive the stimulus payments from 2020, you can apply for the Recovery Rebate Credit when filing your taxes this year. Everyone's situation is unique, so we encourage you to reach out to the resources included in this letter for free assistance with filing your taxes. Even if you typically wouldn't file a tax return due to not meeting the income threshold, we strongly encourage you to do so this year.

As an enrollee in the THRIVE East of the River program, you received up to \$5,500 in 2020 and/or 2021 to support you during the COVID-19 pandemic. We are making this gift solely to help you, not to satisfy any duty of ours, and without expecting any consideration in return or any repayment.

To be eligible for free tax assistance, DC households must make less than \$57,000 or the filer must be over 60 years old. Because of COVID, appointments are required and are filling up quickly.

We wish you all the best,
